Affiliation of Philadelphia
Committee with National Committee

[REDACTED] Division of Solicitations, Department of Public Instruction, Commonwealth of Pennsylvania, 812 Blackstone Building, Harrisburg, Pa., advised SA MORGAN L. MIDTHUN on April 14, 1953, that by letter dated February 17, 1953, JEAN D. FRANTJIS, as Executive Secretary of the Philadelphia Committee, Post Office Box 805, Philadelphia, Pa., informed her that the temporary committee in Philadelphia is an affiliate of the National Committee, 1050 Sixth Avenue, New York City, N. Y. b7d

Aims and Purposes

[REDACTED] referred to above, advised on the same date that the letter previously referred to stated that money solicited by the Philadelphia Committee was used to meet expenses in carrying on appeals and maintaining the ROSENBERG children. Any excess was used for a dissemination of information to enlist popular support for the commutation of the death sentence for the ROSENBERGs. The entire staff of the Philadelphia Committee volunteered its time, and there were no administrative expenses and no commissions paid to solicitors. b7d

Confidential informant [REDACTED] who has furnished reliable information in the past, made available on [REDACTED], an undated, two-page, mimeographed item of literature issued in late 1953 which contained a "Statement of Policy Adopted by the National Conference of Rosenberg-Sobell Committees in Chicago, October 10-11." This policy is set out, in part, as follows:

"The National Organization of Rosenberg-Sobell Committees will make public the truth in the Rosenberg-Sobell case; it will insure that appeals will be made to the courts to review the case and to order a new trial for MORTON SOBELL; it will press vigorously for a transfer of MORTON SOBELL from Alcatraz, so that his appeals to the court are not injured by absence of consultation with his counsel which Alcatraz imposes upon him.

SAC, NEW YORK
PH 100-37667

"We will stand together with any and all who are persuaded in whole or in part, by these objectives."

On [REDACTED] made available a mimeographed copy of the "Statement of Policy" adopted by the National Conference of the Rosenberg-Sobell Committees in Chicago, Ill., on October 10-11, 1953. This statement was prepared by the Philadelphia Committee and set forth a six-point program adopted by the National Conference, which is as follows:

- "1 - A broad educational campaign on the Rosenberg-Sobell case, implemented by the distribution of one million pieces of literature in the next six months, shall be carried out so that the facts will be brought to all sections of the American people.
- 2 - Circulation of an Amicus Brief, to be signed by prominent persons throughout the country, to be presented to the Courts in behalf of MORTON SOBELL. Other groups should be encouraged to circulate similar briefs.
- 3 - The incarceration of MORTON SOBELL in Alcatraz is cruel and unusual punishment, and makes it impossible for him to consult properly with his legal counsel. Therefore, a demand should be raised that he be transferred from Alcatraz pending outcome of legal appeals.
- 4.- We direct that the new National Rosenberg-Sobell Committee be charged with the responsibility of working out the best methods of legal support for SOBELL's fight in the courts.
- 5.- A detailed report of the conduct of the U. S. Attorney General's office in the Rosenberg-Sobell case should be circulated to all committees and interested individuals to the end that, in the near future, a call can be made for an investigation of those responsible for this improper conduct.

SAC, NEW YORK
PH 100-37667

"6 - We who devoted our energies to secure justice for ETHEL and JULIUS ROSENBERG feel it our serious responsibility to bend every effort to secure the well being and protection of MICHAEL and ROBERT ROSENBERG, innocent victims of this great tragedy. We pledge our fullest support to guarantee the necessary funds to achieve this end."
